

FREE ONLINE COURSES FOR JOB SEEKERS

Boost your CV, your confidence and your career prospects.

We offer a range of flexible online programmes for employability and skills tailored to your needs.

Your chances of gaining employment will improve through our industry specific training areas including customer service, warehouse and storage among others.

Employers from these sectors are involved in many of our courses, advising on training, as well as offering work placements and job interviews; all of which will take you another step closer to success.

We can also help you develop your English, maths and IT skills.

You will have access to an extensive range of online courses, each created using engaging and interactive content, with features, including:

Games and quizzes

Videos

Interactive case studies

First class resources

Key facts, further research and further reading

All online courses can be completed on your preferred device to allow for complete flexibility as to where, when and how you want to learn!
